

AGN. NO. _____

MOTION BY SUPERVISOR YVONNE B. BURKE

May 20, 2008

ACCEPTANCE OF DONATION ESTIMATED AT \$28,000 FOR IMPROVEMENTS AT LADERA PARK

Home Depot is donating lumber, hardware and landscape materials with an estimated value of \$28,000 to the Los Angeles County Department of Parks and Recreation. The generous donation of materials is for the refurbishment of the Ladera Park Amphitheatre including replacing the bench seating, repainting the building, adding new landscaping to the area in front of the stage and other improvements. The amphitheatre refurbishment will provide a great community resource and allow for community concerts, special programming and much more.

Additionally, Home Depot will be providing volunteers who will work with department staff to complete the refurbishments at the park later this month.

I, THEREFORE, MOVE THAT THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES hereby accept with thanks the donation from Home Depot for the refurbishments at Ladera Park. I further move that the Board of Supervisors instruct the Executive Office to send a letter of appreciation to Home Depot for their generous donation.
